Marie-Antoinette Pass

Discover the Centre des monuments nationaux's sites standing witness to Queen Marie-Antoinette's history!

The Centre des monuments nationaux invites you to discover, in Paris and the Paris Region, four of the monuments that have hosted the exceptional destiny of one of France's most famous queens: Marie-Antoinette.

With the Marie-Antoinette Pass, you will have access to:

- The National estate of Rambouillet with its castle and most importantly its Queen's Dairy, built at the request of Louis XVI for Marie-Antoinette where she enjoyed dairies and other delicacies.
- The Conciergerie, Revolutionary court whose most famous prisoner was Marie-Antoinette and where her trial was held.
- The Expiatory Chapel that lies on the site of a former Revolutionary cemetery where Louis XVI and Marie-Antoinette were buried after they were guillotined.
- The Saint-Denis Basilica Cathedral, burial place of the kings and queens of France and, as such, last residence of Queen Marie-Antoinette.

Super Saver: with the Marie-Antoinette Pass, gain access to the « Marie-Antoinette, metamorphoses of an image » exhibition at La Conciergerie, from 16 October 2019 to 26 January 2020.
