# ROMANTIC STRASBOURG

With its extraordinary heritage, half-timbered houses, picturesque alleyways and small squares, canals and bridges, Strasbourg is undoubtedly one of the most romantic cities in France.

# A LOVE STORY THAT LASTS

Strasbourg has always exerted a strong power of attraction on visitors and inspired countless enthusiastic accounts and tales. All the big Romantics came here: the drawings and paintings of Gustave Courbet and Eugène Delacroix, as well as tales from the best-known writers of the 19th century, have formed a splendid ode to the city.

# STRASBOURG IS REINVENTING THE LOVERS' CELEBRATION!

Every year in February, the European capital puts on a festival to celebrate lovers with a programme that's poetic, cultural, glamorous, and slightly quirky!

# AN ALLURING ADVENTURE

Romantic ambiances, offbeat events and impromptu encounters  
in unusual locations...

A rich, exhilarating programme that will appeal to lovers from  
all walks of life.

# MAGICAL MOMENTS...

Everyone will find happiness and experience intense moments, full of emotion in Strasbourg, whether they're Valentine lovers or lovers of culture, heritage, fine dining, art or music.

# THE MARRIAGE OF HERITAGE AND CULTURE

At the heart of the festival: a programme that's enriching, ambitious and impactful, set in prestigious venues, some of which are normally closed to the public.

# LOVE IS IN THE AIR

With “Strasbourg Mon Amour”, love is in the air!  
Music rings out across the city, stirring the hearts of all.  
On the programme: Classical and Romantic music, opera, operettas  
and recitals, performed with brio by talented musicians and singers.

# SHALL WE DANCE?

At “Strasbourg Mon Amour”, every day is a good day to dance!

Salsa, disco, the Saturday Night Dance, a groovy tea dance... any excuse is a good excuse to celebrate and embrace.

A symbol of the festival, the Slow Dance Party makes hearts throb, every year. A deliciously retro evening, not to be missed!

# BEAUTIFUL, NIGHT AND DAY

It's always so lovely to take a romantic stroll along the River Ill, explore the maze of narrow, winding streets of the Cathedral quarter and soak up the incredible charm of the Petite France. Strasbourg, a leisurely city...

# LOVE AND FRESH IDEAS

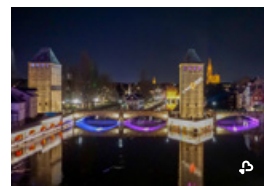

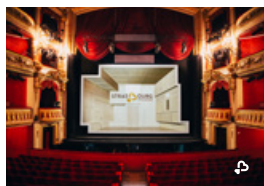

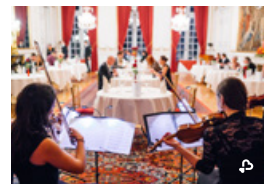

A romantic city to be (re)discovered while holding hands,  
and a multitude of original, exciting events...

So many unforgettable moments to experience together  
in Strasbourg... Mon Amour!
