## **About Paris 2024**

The mission of the Olympic and Paralympic Games Paris 2024 Organizing Committee, in accordance with the host city contract signed between the International Olympic Committee (IOC), the Comité National Olympique et Sportif Français (CNOSF - French National Olympic and Sporting Committee) and the Ville de Paris municipal authorities, is to plan, organize, fund and deliver the Olympic and Paralympic Games Paris 2024.

The Olympic and Paralympic Games are the greatest sporting event in the world, with unparalleled media impact. They bring together 10,500 Olympic athletes and 4,350 Paralympic athletes, respectively from 206 and 182 delegations, across five continents. They are watched by over 13 million spectators and 4 billion television viewers across the world, across a total of over 100,000 hours of TV broadcasting. They are without equal in sporting, economic and cultural events throughout the world, and this power helps to further their impact.

Set up in January 2018, Paris 2024 is headed by Tony Estanguet, three-time Olympic champion and member of the IOC. It is run by a Board of Directors, on which sit all the founding members of the project: the CNOSF, Ville de Paris, the French Government, the Île-de-France regional authority, the CPSF, the Métropole du Grand Paris, the Conseil départemental de Seine Saint-Denis, representatives of the local authorities involved in the Games, civil society and corporate partners.

## **Buy only from official sources**

By buying tickets or hospitality packages outside the official channels, the buyer runs the risk that tickets or packages are not delivered to them or are cancelled by the Paris 2024 Organizing Committee in accordance with the terms and conditions. In addition, all buyers are informed that unauthorized sale or re-sale of tickets outside the official channels constitutes an offence under French law.

## **Hospitality packages versus Ticketing**

Tickets allow fans to attend one or more events during the Olympic Games and are sold stand-alone. They are only available through the official P24 ticketing website.

Hospitality offers standard or customized packages that include guaranteed tickets, access to on-site hospitality venues, as well as travel, accommodation or other activities. They are only available through On Location and its sub distributors network.
